### STATUS LETTER

Commissioner for Patents  
PO Box 1450  
Alexandria, VA 22313-1450

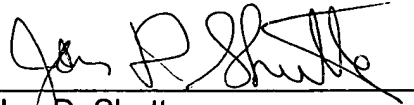

Dear Sir:

We would like to confirm the status of the above-identified patent application. In August of 2005 the Examiner indicated that the file was lost and that a search for the file was being initiated. In September of 2005, the Examiner indicated in a telephone status check that the file was in processing and we should be informed of its status within 3 months..

As of today, information provided by PAIR, does not reflect the filing of our Amendment "E", filed 1/20/05 and Supplemental Amendment "F", filed 2/1/2005 in response the Office Action dated October 20, 2005. The Examiner indicated a Notice of Allowability was mailed 2/18/05. We did not receive the Notice. The Notice information and mailing date was provided on PAIR as of 8/8/2005. As of today, however, PAIR does NOT reflect the Notice of Allowance as part of the file history.

We would like to confirm the status of the application.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Jon D. Shutter", written over a horizontal line.
